Memorandum of Understanding

between

Institute of Innovative Education of Kyiv National University of Construction and Architecture
Ukraine

and

Baltic International Academy
Latvia

Institute of Innovative Education of Kyiv National University of Construction and Architecture, represented by its Director Petrochenko Oleksii and Baltic International Academy, represented by its Chairman of Senate, Prof. Stanislav Buka, have agreed to the following:

ARTICLE 1

By mutual consent, this cooperation includes any program offered at either institution as felt desirable and feasible on either side and that both sides feel contributes to the fostering and development of the cooperative relationships between the two institutions.

This MEMORANDUM OF UNDERSTANDING (MOU) is designed to foster a friendly relationship through mutual cooperation in teaching, research and joint projects between Institute of Innovative Education of Kyiv National University of Construction and Architecture and Baltic International Academy. No financial obligations are assumed under this agreement.

ARTICLE 2

The cooperation between the two institutions shall be accomplished by guidelines of supporting agencies in various ways, which may include:

- Exchange of students on all levels of education (Undergraduate, Graduate, and Ph.D.);
- Exchange of faculty and staff members;
- Joint research and consultancy activities;
- Participation in seminars and academic meetings;
- Exchange of academic materials and other information of common interest;
- Exchange and/or cooperation in Special short-term programs and projects;
- Development and implementation of double/joint degree programs in similar directions of preparation based on separate contracts.

ARTICLE 3

The present MOU will be supplemented by Agreements in specific academic disciplines signed by representatives of both institutions.

The terms of such Agreements for each specific program and activity implemented under the terms of this agreement shall be mutually discussed and agreed upon in writing by both parties before the initiation.

ARTICLE 4

This MOU is subject to the laws and regulations of the respective countries of both institutions.

Both parties shall abide by the laws and regulations on the intellectual property rights of their respective countries and institutions.

ARTICLE 5

The funding or any fundraising efforts that might be pursued will be carried out jointly for implementing the Agreements provided in Article 3.

Both institutions accept that all specific financial arrangements are to be negotiated and are dependent on the availability of funds.

The parties agree to seek financial support from national and international organizations for the activities and exchanges outlined in the MOU.

ARTICLE 6

Each institution will designate an individual to coordinate this program and all endeavors that may derive from it. For this purpose, Institute of Innovative Education of Kyiv National University of Construction and Architecture designates Deputy Director for Scientific and pedagogical work, international relations and distance learning, Novikova I. V. and Baltic International Academy designates Ms. Inta Buka, Vice-Rector for International Affairs.

ARTICLE 7

Both parties undertake to observe confidentiality towards other parties not concerned or connected with this MOU. Any confidential information disclosed to either party under this MOU shall not, without the prior written consent of the other party, be disclosed to a third party or be used for any purpose not expressly permitted in writing by the other party.

The confidentiality provisions apply to all confidential information exchange including any confidential information exchange in preliminary discussions and during negotiations relating to matters within the scope of this MOU.

ARTICLE 8

No amendment, consent, or waiver of terms of this MOU shall bind either party unless in writing and signed by both parties. Any such amendment, consent, or waiver shall be effective only in the specific instance and for the specified purpose given. The parties to this MOU, by the signatures below of their authorized representatives, acknowledge having read and understood this MOU and agree to be bound by its terms and conditions.

This MOU is not intended to be legally binding but it simply expresses the intentions and understanding between both parties. This MOU shall form the basis of a detailed and legally binding agreement to be drafted and executed in the future.

ARTICLE 9

That all specific projects to which this MOU may lead will be subject to the joint and periodic evaluation by the appropriate authorities of both universities. This MOU will be jointly

reviewed and evaluated after three years from the effective date.

ARTICLE 10

This MOU will become effective on the date of signing and is concluded for an indefinite term. Both institutions have the right to initiate a termination of this linkage with at least six months' notice.

This MOU may be amended or modified by a written agreement signed by the representatives of both universities.

ARTICLE 11

Notices under this MOU shall be addressed to the parties at the following address:

AGREEMENT

in the sphere of science and research

to the Agreement on cooperation

between

"Baltic International Academy"

(Latvia)

and

«Institute of Innovative Education of Kyiv National University of Construction and Architecture»

(Ukraine)

signed on November 10, **2021**

"Baltic International Academy" and

«Institute of Innovative Education of Kyiv National University of Construction and Architecture» hereinafter referred to as the Parties have hereby agreed as follows:

Article 1

The Parties, according to the existing legislation of the countries, will contribute to cooperation in the sphere of science and research based on beneficial interest.

Article 2

The Parties will contribute to the development of cooperation envisaged by Article 1 in the following spheres of science and technology:

2.1. fundamental and applied research in natural sciences;

2.2. research in the sphere of technical sciences and the development of technology;

2.3. research in the sphere of humanities and social sciences.

Article 3

Cooperation will be achieved by scientific and research institutions, scientific centers, departments, programmes and study directions of both Parties within the scope of their competence. The content of cooperation, both Parties will agree upon its economic, organizational and other aspects.

Article 4

Cooperation in the context of the present Agreement can be achieved in the following forms:

4.1. exchange of scientific technical and scientific research information, documentation, literature and publications;

4.2. exchange of PhD students, scientists and researchers;

4.3. joint academic supervising the PhD students within the scope of their dissertations;

4.4. organization of science internships;

4.5. organization and maintenance of joint scientific and research projects and developments;

4.6. organization of joint seminars and scientific conferences;

4.7. providing possibilities for joint publications;

4.8. establishment of joint scientific laboratories and centers.

Article 5

5.1. The Parties provide protection of industrial and intellectual property rights when cooperating based on the present Agreement.

5.2. Issues on the distribution of joint results of scientific studies obtained as a result of cooperation on the basis of the present Agreement or questions on utilization of other information obtained as a result of scientific studies as well as questions connected with patents, copyright, protection of samples and other rights to industrial and intellectual property will be agreed upon separately in every individual case by concluding Agreements between the Parties.

Article 6

In order to promote the objectives of the Agreement and control its implementation the Parties will appoint the coordinators responsible for specific areas of cooperation.

Article 7

7.1. This Agreement becomes effective from the moment it is signed by both Parties and is concluded for indefinite term.

7.2. The Agreement can be amended or terminated by either Party.

A written notice of termination and modification of Agreement should be sent not later than 6 (six) months prior to the supposed changes.

7.3. Amendments or termination of the Agreement will not influence the projects earlier initiated on its basis; their implementation will be continued on the agreed conditions.

Article 8

The present Agreement is concluded in two original copies, each one is in English languages, and both texts are of equal legal force.
